OLC: 78-3334 9 November 1978

Reference your note of 1 November 1978, following are responses to your queries on the items of interest listed by you:  Routine Dissemination of Publications to Congress  At Tab A is a listing of those Agency publications sent routinely to the Hill by NFAC's Congressional Support Staff and the Publications and Presentations Group. At Tab B is a copy of the "Report of Weekly Support to Congress" as submitted by CSS covering material other than routine.  Prepared Texts of DCI Speeches  Not all of the DCI's speeches are sent regularly to both HPSCI and the SSCI.  O/DCI, and sometimes with OPA involvement, decides which of the DCI's speeches are to be typed in final form, because the DCI does not always speak from a prepared text.  "Notes From the Director"  You will recall that sometime ago it was agreed that Liaison Staff would arrange sending the "Notes" to the Hill; however, they were not sent.
